Agreement for Services

At PeaceQuest Energetic Interventions, we offer:

- Counseling
- Reiki and related intuitive energy healing
- Energy Psychology

These interventions are usually very effective. However, they are considered "alternative" and thus are not eligible for reimbursement by extended health plans.

Services are completely confidential, with the following legal exceptions:

1. Child abuse must be reported.
2. Suicidal or homicidal intent will be reported.
3. Court subpoenas will be honoured.

Advocacy services are limited to supported self-advocacy. We are not able to intervene for you with authorities.

Payment is expected at time of service. You may be billed for missed appointments.

Your first Energy Psychology session is fully guaranteed. If you do not experience a benefit, you will be reimbursed.

A "pay it forward" policy is in place. After five sessions, you will be eligible for a gift certificate to use for yourself or for a friend.

I understand and agree to the above conditions.
